Dear Saito

I was saddened to hear the tragic loss of life caused by the earthquake. I want to express my sincere sympathy to people of Japan who lost their lives and their loved ones in this recent earthquake. As citizen of India would like to express sorrow on behalf of my country for this recently occurred unfortunate happening.

My all blessings and support are with the people of Japan. I would prayer people of Japan for moving forward in life. May the Buddha give strength to all the people of japan bear this unbearable pain and irreversible loss.

I request for the power of the triple Gem to bless the people of Japan.

Yours in Dhamma

Dear Dhamma Friend,

I was shocked to learn of the earthquake struck that 4 people dead and injured over 336 in Osaka including Kyoto and Nara on 18 June Morning.

I was to convey, on behalf of the International Buddha Education Institute Hapur, our sincere and heartfelt condolences. Our thoughts and prayers are with people of Japan, in particular with those affected by the earthquake.

My warmest love and wishes are with people of Japan.

Buddha bless you all.

Yours in Dhamma,
